CARING COOKIES

SHARING IS CARING

Kim's Caring Cookie Day Saturday, November 9th 9 am until 2 pm

Unity Community Church 215 Unity Center Road

Plum Borough, PA

You are invited to participate in a community service project in memory of our dear friends, Kim Griffith and her two daughters, Brenna & Mikaela. Continuing to follow in Kim's spirit of caring and sharing, we will get together on Saturday, November 9th for a day of cookie baking for those in need. The cookies will be donated to Light of Life Ministries, Pleasant Valley Homeless Shelter, Amber Woods Personal Care Home, Nursing Homes, shut-ins, military, and Kim's families and neighborhood. We will need bakers, decorators, packers, deliverers, and of course, cleaner uppers. There will be a job for everyone and any help will be greatly appreciated. Feel free to invite your friends and relatives because there will be a lot to do. Give of your time all day or for just a few hours. There will be pizza for lunch, feel free to bring any snacks/appetizer.

For our first Kim's Caring Cookie Day last year, we had 138 volunteers who made 480 dozen of cookies. Last year, our second year of Kim's Caring Cookies, we had 68 volunteers who beat our first year, making over 550 dozen of cookies. This year we will have a Kim's Caring Cookie Cookbook for sale, along with aprons and Res-que-me devices. The proceeds from these items will be donated towards helping others. Thank you to Julie King, former Pack 139 cub scout leader for coming up with this wonderful idea and working on the cookbook all summer.

Richard Lokay, Joy's nephew, who is a graphic artist and specializes in web pages, is developing a Kim's Caring Cookie web site which will be done in the near future. Soon you will be able to go on <a href="https://www.kim'scaringcookies.com">www.kim'scaringcookies.com</a> and follow our progress and event dates.

Please RSVP to Joy Tsounos with the number attending and job preferences. Call her cell phone #412-780-1545 or e-mail at: blondebomber38@qmail.com.
