

“Equipped with his five senses, man explores the universe around him and calls the adventure Science”

– Edwin Hubble

NOTES:

*The WPA Humane Society Visit/Tour is when the Girls will donate their items they have purchased from their collecting “found” coins. (Brownie Money Manager Badge & Brownie Give Back Badge & Brownie Pets/Animal Badge). The Girls will be able to choose items to purchase from the WPA Humane Society’s “Wish List”. Also, during the 12/3 meeting, the Girls will be able to make homemade dog & cat treats to gift to the shelter. During the visit, the Girls will also be able to “exercise” the shelter’s bunnies at the shelter’s traditional Saturday “Bunny Romp”.

* The Brownie Science Day is an extra special 4 ½ hour opportunity for the Girls to be “hands on” with science while earning two Brownie badges (Home Scientist Badge & Senses Badge)! Kathy Boyd, the woman who runs this program, was a Girl Scout herself,,,, So, I am certain that the Girls will definitely benefit from this special event!

* **Brownie Science \$15 Due 11/19!**
